

RESOLUTION

WHEREAS, Section 22.004 of the Texas Education Code requires that each district shall make available to its employees group health coverage provided by a risk pool established by one or more school districts under Chapter 172, Local Government Code, or under a policy of insurance or group contract issued by an insurer, a company subject to Chapter 20, Insurance Code, or a health maintenance organization under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code). The coverage must meet the substantive coverage requirements of Article 3.51-6, Insurance Code, and any other law applicable to group health insurance policies or contracts issued in this state. The coverage must be comparable to the basic health coverage provided under the Texas Employees Uniform Group Insurance Benefits Act (Article 3.50-2, Vernon's Texas Insurance Code). The board of trustees of the Teacher Retirement System of Texas shall adopt rules to determine whether a school district's group health coverage is comparable to the basic health coverage specified by this subsection.

WHEREAS, each district shall report the district's compliance with this subsection to the executive director of the Teacher Retirement System of Texas not later than November 1 of each year in the manner required by the board of trustees of the Teacher Retirement System of Texas. The report must be based on the district group health coverage plan in effect on November 1 and must authorize a self-insurance plan for district employees and of the district's review of district ability to cover the liability assumed.

NOW, THEREFORE, BE IT RESOLVED BY THIS BOARD OF TRUSTEES TO:

Authorize a self-insurance plan for district employees and of the district's review of district ability to cover the liability assumed. This Resolution to be effective from January 1, 1997.
